Instructions: Carefully follow the steps described below. Return the completed form to the Office of the Registrar by **August 3**. This is a *preliminary* registration. You will be able to make changes to your semester program after meeting with your faculty advisor during orientation.

Step 1: First-Year Seminar (FS)

New students who are designated as transfer students by Admission are exempt from this requirement.

Your First-Year Seminar letter contains your FYS assignment. Check the days and times of your section and enter them below. If you have not registered for a seminar, contact the Filene Center for Academic Advising immediately.

Step 2: Writing Requirement (WR)

Completion of an appropriate writing course is required in the first year by any student who has not earned transfer credits for English 101. List, in descending order (first choice, second choice, third choice) of preference, your choices. See enclosed descriptions of ENG 101 courses, noting linked seminar/ENG 101 pairs. Descriptions of English 101 courses are also available online at:

http://www.wheatoncollege.edu/Catalog/ENG/Courses/_101.html

If applicable, mark one of the following boxes with "x".

- I am considering a major in English. Enrollment during the first semester is strongly recommended.
- I am considering a major in mathematics, the sciences, or art. Enrollment during the second semester is strongly recommended.
