

Local Health Care Resources Directory

The Health Care Resources Directory is a convenient reference for Wheaton students to use when considering options for on and off-campus health care services. The physicians and providers included in this directory have been chosen, first and foremost, because of their proximity to the Wheaton campus. Physicians affiliated with Sturdy Memorial Hospital and Morton Hospital, and clinics and services recommended by Wheaton students and staff have also been included.

Wheaton College and the Office of Health and Wellness neither endorse nor are accountable for the care and services provided by the physicians and providers listed. Inclusion in this directory does not guarantee the quality of services rendered. We recommend prudent judgment when partnering with any health provider or organization.

The information contained in this directory is accurate at the time of printing.

cfweb.smartedu.net/foxfieldtaxi

Taxi vouchers are free and available for Wheaton students to use for transportation to off-campus medical appointments.

To reserve a taxi after scheduling an off campus medical appointment...

- ~Call Foxfield Taxi at least 3 days prior to the date of your appointment.
- ~Calculate your pickup time by estimating travel time to the appointment and adding 45 minutes as a buffer in case of bad weather, traffic, peak hours, etc.
- ~Obtain a taxi voucher at the Public Safety Office, Craig Andrade's office (143 Balfour Hood), or from the taxi drivers themselves upon pickup.
- ~Present the taxi voucher and your Wheaton ID to the taxi driver at time of pickup.
- ~After your appointment, call Foxfield Taxi to schedule a return trip to campus.

Remember...

- ~Calling early to reserve a taxi is the best guarantee that Foxfield will be able to accommodate you in a timely manner.
- ~Plan carefully and allow enough time to arrive for your appointment in the event the taxi is delayed.
- ~You must present your Wheaton ID to receive and use a taxi voucher.
