# Local Health Care Resources Directory

<http://www.flickr.com/photos/sophienimmannit/2255807679/>

The Local Health Care Resources Directory is a convenient reference to use when considering options for on- and off-campus health care services. The physicians and providers included in this directory have been chosen, first and foremost, because of their proximity to the Wheaton campus. Physicians affiliated with Sturdy Memorial Hospital and Morton Hospital, as well as clinics and services recommended by Wheaton students and staff have also been included.

Wheaton College and the Office of Health and Wellness neither endorse nor are accountable for the care and services provided by the physicians and providers listed. Inclusion in this directory does not guarantee the quality of services rendered. We recommend prudent judgment when partnering with any health provider or organization.

The information contained in this directory is accurate at the time of printing.

# Wheaton Taxi Voucher Program

Taxi vouchers are available for students when travelling to an off-campus medical appointment.

To reserve a taxi using a voucher...

- Schedule your off-campus medical appointment. Vouchers are valid for appointments in the neighboring towns of Easton, Attleboro, North Attleboro, Taunton and Raynham only.
- Call Taunton Checker Cab Company at 508-824-5831 twenty four hours prior to the date of your medical appointment. Identify yourself as a Wheaton student.
- Plan carefully and allow enough time to arrive for your appointment in the event the taxi is delayed.
- Vouchers are no longer available in the cabs from the taxi drivers. You must obtain a signed taxi voucher from:  
The Public Safety Office - 24/7  
Cynthia Maricle, Student Health Services Coordinator at Norton Medical Center, during regular business hours
- Present the signed taxi voucher and your Wheaton ID to the taxi driver at the time of pickup. You will not be expected to pay the fare and no cash will exchange hands.
- After your appointment, call Taunton Checker Cab to schedule a return trip to campus.
- The college will reimburse the Taunton Checker Cab Company for the cost of your transportation to your medical appointment.
